CELL TOWERS / FIBER OPTICS / VILLAGE UTILITIES

PERMIT REQUIREMENTS:

- Submit a completed permit application, include your work order number.
- Provide 2 sets of plans, specifications, and site maps.
- Pre-Con meeting with the Superintendent of Public Works and Building Dept. Superintendent may be required prior to permit approval.
 - Village of Midlothian Public Works Dept. is responsible for reviewing and approving these permits. The Village of Midlothian Building Dept. is responsible for issuing the approved permit.
- INSPECTIONS: The owner, applicant or contractor is required to call a minimum of 24 hours (one business day) in advance for inspections. Inspections are only performed M-F during regular working hours.
 - Depending on the work being performed, one or more inspections may be required by the Village of Midlothian Public Works Dept. and/or Village of Midlothian Building Dept.
 - Public works phone # is 708-389-9658.
 - Building Dept. phone # is 708-385-8642.
- All inspections shall be completed before the permit expiration date.

It is understood that approval of plans submitted to the Building Department for review is a conditional approval only and construction shall be subject to compliance with Village of Midlothian Ordinances.

It is further understood that, in the event of conflict between the approved plans and provisions of the ordinances, the ordinance shall be the final authority.
