WEATHERIZATION PROGRAM

Circle one: **ComEd** **CEDA**

PERMIT REQUIREMENTS:

- ☐ Submit a completed permit application. Missing information may delay permit approval.
- ☐ Provide details of the scope of work to be performed.
 - ☐ Include specifications for water heater, furnace, or condenser replacement.
- ☐ INSPECTIONS: The owner, applicant or contractor is required to call a minimum of 24 hours (one business day) in advance for inspections. Inspections are only performed M-F during regular working hours.
 - ☐ Depending on the work being performed, one or more inspections may be required.
 - ☐ Water heater replacement requires an inspection.
 - ☐ HVAC work requires an inspection.
- ☐ All inspections shall be completed before the permit expiration date.

It is understood that approval of plans submitted to the Building Department for review is a conditional approval only and construction shall be subject to compliance with Village of Midlothian Ordinances.

It is further understood that, in the event of conflict between the approved plans and provisions of the ordinances, the ordinance shall be the final authority.
