PARKING LOT STRIPING

- Submit a completed permit application. Missing information may delay permit approval.
- Submit a recent Plat of Survey with proposed striping plan marked on survey.
- Provide details:
 - Number of regular parking spaces
 - Number of accessible parking spaces
 - Parking space length & width
 - Aisle width
 - Show pavement markings for the accessible spaces
- Please refer to:
 - Village of Midlothian municipal code 11-12-3
 - Title 11 (zoning), Chapter 12 (off street parking and loading), Section 3 (design and size)
 - 2018 Illinois ADA
- INSPECTIONS: The owner, applicant or contractor is required to call the Building Department a minimum of 24 hours (one business day) in advance for the following inspections. Inspections are only performed M-F during regular working hours. One (1) inspection is required:
 - Final inspection.
- **All inspections shall be completed before the permit expiration date.**

It is understood that approval of plans submitted to the Building Department for review is a conditional approval only and construction shall be subject to compliance with Village of Midlothian Ordinances.

It is further understood that, in the event of conflict between the approved plans and provisions of the ordinances, the ordinance shall be the final authority.
