**NOTICE OF MORATORIUM ON ISSUANCE OF NEW LIQUOR LICENSES**

As the Local Liquor Control Commissioner of the Village of Midlothian I have been informed by the Village Board of a pending ordinance that would substantially change the requirements and regulations for the sale and use of alcoholic liquor in the Village.

In order to fairly and uniformly apply the new regulations I am imposing a 45 day pause on the issuance of **new liquor licenses** in the Village. I, and Village staff have committed to informing both current license holders and new applicants of the timetable for implementation of any new licensing requirements.
