From the Desk of Mayor L'Heureux

Dear Residents,

I am happy to announce that Trustee Crowley and our Village staff will now also publish a Spanish version of the newsletter. Please notice the link in the upper right-hand side of this newsletter that provides a Spanish copy of the newsletter.

We are officially in Spring and the weather is warming up. I am looking forward to being able to spend more time outdoors and getting our garden planted. I'm also looking forward to visiting the new seed exchange at the Midlothian Library and the Village's 11th Annual Garden Walk. (additional information below in Happening Around Town section).

We had a great 96th Birthday celebration for Midlothian on Saturday March 18. It was great to see so many residents stop by to celebrate and to see the fantastic job the Historical Society volunteers have done to rejuvenate the building. Our town's history is rich and now beautifully displayed.

I am also looking forward to the "Senior Prom" being co-hosted by our Events Committee and the Midlothian Park District on May 20 5-8pm at the Midlothian Park District.

Finally, Public Works is hosting our annual clean-up day and electronic recycling event on April 29th.

Wishing you and your family a Happy Easter,

Mayor Gary L'Heureux

From The Board

Local Government Distributive Fund (LGDF) Update **LGDF Fact Sheet**

Trustee Crowley reported that the loss of revenue to Midlothian, since the state began cutting the percentage of LGDF funds, has been approximately 9.5 million dollars.

She asked all Village officials to support the efforts by IML and SSMMA to have the state begin to increase the percentage of LGDF in the SFY 2024 budget, by completing the witness statements.

Additionally, she is asking all residents to contact their local legislators and ask them to support an increase to LGDF for the SFY 2024 budget.

Village 2024 Budget

Trustee Killelea and Trustee Crowley were excited to report the Board is expected to pass the Fiscal Year (FY) 2024 budget prior to the end of this fiscal year, which ends on April 30, 2023. Thank you to all of the Department Heads and especially to Finance Director Redmond and Treasurer Britton for all of their hard work balancing the budget. As a result, the Village will continue to provide critical services.

New Fire Truck

Trustee Burbatt discussed that Midlothian will soon be placing an order for a new fire engine. It will be approximately two years before it arrives. The existing engine, that it will replace, will be 27 years old. The new truck will be paid out of the equipment fund that the Board created.

People's Bank Update

Trustee Caveney reported that People's Bank will temporarily be located in Mid Oak Plaza 4824 W. 148th St. while they remodel their current location.

Lead Service Line Replacement

IEPA Lead Service Line Replacement Program

On March 15, Trustee Hille discussed the the Lead Service Replacement Program that Public Works and Robinson Engineering have been working on. This program will cover the cost of replacing the service line all the way to the house for approximately 600 homes in Midlothian. This program has the *potential to save homeowners up to \$10,000.00* if they were required to replace the lead lines themselves.

On March 22, the Village Board approved participation in this program.

Safety Tip

As the weather gets warmer, people start to spend more time outdoors. Every year, thousands of fires break out in homes across the country, causing damage, injury, and even death. But with some simple precautions, you can help protect your home and your family from the devastating effects of a fire. Please follow the link below for some fire and EMS safety tips.

Building Department

Permit Information

- Obtaining a building permit for work being performed at your property is the best way to ensure that the work will be performed in a code-compliant and safe condition. If you received a building permit within the past two years, please make sure that you have called the Building Department at 708-385-8642 to schedule an inspection of the work so that your permit records may be closed out.
- If you notice work being performed within the Village without a building permit, please contact the Building Department at 708-385-8642.
- **The Building Department currently has two job opportunities available, a full-time Building Inspector II, and a part-time Code Enforcement Officer.** Please visit the Village's website for further information.
